

CIRO MIRROR BALL MOUNT

Parts Included:

- 1 Giro Mirror Mount**
- 1 Ball Post**
- 1 M10 Lock Washer**
- 1 1/4-20 x 1/2" Bolt**

Installation Instructions:

1. Park on a level surface and shut off the bike.

Ensure that the engine has had time to cool before installation.

2. Decide which side you are going to use and remove the mirror.

Place the lock washer between the mounting hole and the mirror mount and re-insert the mirror.

Mirror mount

Lock washer

3. Use two 3/16" allens to install the ball post on the mirror mount using the included 1/4-20 bolt.

4. Tighten down the mirror so that it won't rotate.

5. Ensure that your mirror is adjusted correctly for riding.

***If you have purchased any Giro accessories to go with your ball mount, please refer to those instructions to complete your installation.**

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Giro products are designed and manufactured under very strict quality control. Giro products are warranted to be free of defects in material and workmanship for 1 (one) year from date of purchase by the consumer.

Giro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products.

Please visit our website Ciro3d.com for our complete warranty policy.

CIRO DRINK HOLDER

Parts Included:

- 1 Drink Holder Assembly

Installation Instructions:

1. Remove the large plastic nut from your drink holder and slide it over the **Ciro** ball mount with the threads facing outward.

2. Snap your drink holder onto the ball and thread the large plastic nut back onto the drink holder. Adjust the angle, tighten it down, and you are ready to go.

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All **Ciro** products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Ciro products are designed and manufactured under very strict quality control. **Ciro** warrants that products sold to the original purchaser shall be free from any defects in materials and workmanship for a period of 3 (three) years from the date of purchase, and a lifetime warranty against LED failure.

Ciro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Ciro will not be liable for any consequential and incidental damages, including labor, or non-**Ciro** products.
